## **Basic Rules for Ping Pong**

1. **Match Length**: All matches will be played to 21, must win by at least a 2 point margin, max of 31 then win by 1 only.
2. **Scoring**: A point is scored after each ball is put into play.
3. **Flow of the Match**: Each player serves five points in a row and then switch server. Person who starts serving at the beginning of each game is decided by a volley. If score is tied or is only a one point difference at the end of the game, you switch volleys every point.
4. **Legal Serves**: The ball must rest on an open hand palm. Then it must be tossed up at least 6 inches and struck so the ball first bounces on the server's side and then the opponent's side. If the serve is legal except that it touches the net, it is called a let serve. Let serves are not scored and are reserved. Two let serves in a row results in a point for the opposing player.
5. There will be an event coordinator on hand to move play along and settle any disputes.
